

Each Summer from the first week of July to early August, we have over 700 children enjoy a week of new experiences and fun activities. The children participate in sports activities such as: dodge ball, basketball, soft ball, kickball and volleyball. Campers can also enjoy activities such as arts and crafts, fishing, geocaching, archery, hiking and much, much, more.

Campers will sleep in a cabin with up to nine other children in the same age range. The camp provides sheets and blankets, but your child may want to bring a pillow and a sleeping bag.

Members of our counseling staff supervise the campers at all times, and sleep in rooms attached to the cabins. During your child's stay at camp, we will do all that we can to ensure that your child has a safe and rewarding experience.
