

The Ralph Paley Spirit of Portland Award 2017

The Spirit of Portland Award was initiated by the Portland Ycngtn' Center in 2009 to honor Portland's unsung heroes. We felt there were many people in town who do a lot for many with very little, if any, recognition and we want to honor them. If you know of someone who deserves our gratitude and should be recognized, please fill out the nomination from below.

Nominations Are Due by February 15th
