

Portland Library presents

Thursday
March 30th
at 2:00 p.m.

E-Books and Overdrive with Max

Max from Library Connection Inc. is going to answer any of our questions about signing up and accessing Overdrive to download e-books and audio books to our computers, tablets, kindles and phones. Current users and new users to this library service will both benefit from Max's expertise. This is Max's third workshop with us; he already gave two well-received tech talks on various smart phones. **Registration requested!**
