Portland Storm Response Forum

PORTLAND – State Representative Christie Carpino announced an upcoming informational forum regarding storm response policies and procedures in Portland. The forum will take place on **Thursday, November 30**, at the **Waverly Center** from **7:00 p.m. – 8:30 p.m.**

“In light of the complaints and concerns surrounding Eversource's response to our recent storm, I have invited Eversource to Portland. Eversource will explain how power is restored statewide and in our community as well as take questions from the audience,” explained **Rep. Carpino**. Portland town officials will also take part in the forum.
